ZHIMAX 46×46mm Square Recessed Stainless Steel Pull Handle | Minimalist Hidden Handle

This ZHIMAX square recessed pull handle is designed for modern minimalist and luxury custom furniture. Made of high-quality 201 stainless steel, it is available in brushed and matte black finishes, offering excellent rust and wear resistance with a premium look. The recessed installation design hides completely when closed, creating clean lines on wardrobes, drawers, and cabinets while eliminating bump risks. It is the ideal hardware for handle-free furniture designs.

✅ Key Features

- Standard 46×46mm square size, fits most common cabinet cutouts for easy installation
- 201 stainless steel construction with brushed/matte black finish, fingerprint-resistant and rust-proof, suitable for dry and humid environments
- Recessed hidden design for a truly minimalist look, perfect for modern, luxury, and industrial-style homes
- Smoothly polished edges for a comfortable, snag-free grip, ideal for wardrobes, drawers, cabinets, and bathroom vanities
