500 Portable Power Supply

Product spotlights:

Hot Selling Portable Power Stations，Outdoor Mobile Emergency Starting Batteries for Household Cars Backup Power Supply Power

Feature highlights: This portable power station offers versatile capacity options ranging from 400mAh to 50,000mAh and supports various discharge rates suitable for toys, FPV, drones, and emergency starts. It features a durable safety design with a long cycle life, high-quality lithium-ion or LiFeP04 batteries, and customize sizes. Shipping is available via FedEx, air, or sea with a lead time of 3-12 days for samples and negotiable mass production.

We provide services including cooperation with Fortune 500 companies and quality control. They offer full, design, and sample customization options, supported by Product Certification, ensuring tailored solutions and reliable quality standards

Short Description:

Portable Power Station is an excellent consistent and reliable power source series which could power your life everywhere. It is adopted most advanced LiFePo4 battery and smart battery management software(BMS) and inverter inside, and equipped with helpful features like AC/DC/USB ports, solar panel inputs, wireless charging and much more.

【Safe and Stable Power Supply】

Equipped with 256Wh lithium-ion battery, equipped with pure sine wave AC power socket, which can provide stable and safe power supply. Portable power stations are only lightweight. You can enjoy outdoor activities with confidence.

【Higher Quality】

Using high-safety, high-performance large-capacity ternary lithium battery, with system protection functions such as under-voltage, over-voltage, over-current, over-temperature, short-circuit, over-voltage charging and over-discharging; using solar cells board, safely powered or charged in the car.

【Power Devices Simultaneously】

Portable Power Station Features With Ac/ Dc/ Usb Outputs， Power Your Smartphone, Tablet, Laptop, Camera, Light, Drones, Fans, In-car Appliances, Both Dc And Usb Outputs Support To Be Used When Power Station Is Recharging At The Same Time.

【Big Capacity Backup Battery Pack】

281wh Compact Station Is Powerful Enough To Meet Different Kinds Of Electricity Demands Outdoor Usage For Home, Travel, Camping, Backseat On Long Road Trips.with A Soft Handle, We Can Easily Put It In Our Backpack Or Car, Take To Everywhere Need Power.

【Higher 281w Wattage】

Portable Generator Can Power Most Devices Under 281-watt, Which Lets You Power About 80% Of Essential Devices Like Kitchen Appliances And Diy Tools. Use Devices Below 281w For The Best Product Use.

【Features】 LED lighting/flashing function, applicable to vehicle electronic appliances/car air pump tools, etc.

【Product Model】 JS500R(Red)/JS500O(Orange)/JS500G(Green).
