SLOGAN
Slogan Make quality profitable &
affordable win-win &
Long term coperation

Jiangmen YD hardware Co., Ltd is one of the leading stainless steel and plastic hotel & restaurant kitchen manufacturer in China with NSF & BSIC & ISO9000 factory audit. We introduce advanced equipment for high production efficiency, such as world class numerical control punching, deep drawing, bending, polishing machine, etc. We have our own environmental electrolyze washing and enamel coating product line, which can make cold stainless steel become more colorful & elegant. Equipped with a skilled engineer team, professional sales team and strict QC quality control system. Not matter the products' quality and cost, but also the after-sales service make you satisfied & competitive all the times.

We are not only a traditional OEM manufacturer on stainless steel gn pan, chafing dish, beverage dispenser, service trolley, metal fabrication and plastic kitchenware, but also an innovative & revolutionary exporter on developing various commercial kitchen supplies with our long-term partner. We achieve many successful cases in the past 10+years. Our core value is to make our partners become giants in their local market.

Looking forward to the future, we will move to a new 100000 SQM industrial zone to combine all production line in one place. We sincerely wish to extend more different projects with our oversea partners for mutual win-win relationship.

AMBER HIGH HEAT PLASTIC FOOD PAN

NEW!

13AHHP1

13AHHP2

Food High Heat Pan with Handle is designed with convenience, safety, and efficiency in mind. Ideal for breakfast menus and quick-serve restaurants, this pan is engineered with a reinforced, textured handle and finger grip design for safety. Performing from -40°F to 375°F (-40°C to 190°C), the heat tolerance safeguards food temperatures and flavourful cooking. This solution also offers a flat base to maximize contact with the heating element. For additional convenience, the drain holes in the handle ensure hygienic, quick-dry washing. The PESU High Heat Pan with Handle guarantees quality in high heat durability and performance.

Code	Name	Product Size	Material	Capacity
13AHHP1	1/3 Amber High Heat Plastic Food Pan with 1 Handle	42x17.8x6.4cm	PPSU	2.4Qt
13AHHP2	1/3 Amber High Heat Plastic Food Pan with 2Handles	50.8x17.8x6.1cm	PPSU	2.4Qt

PC GN PAN

- Durable, no deformation, no hollow drums, no cracks. Smooth interior makes cleaning easy.
- Withstands temperatures from -40°C to 99°C.
- Safe and healthy environmentally friendly material food grade PC.
- Thicker and more resistant, fresher and more capable, with a laminated, non-slip design.

◁ **Clear and smooth surface**
Ensuring the content of the whole/view
Easy to clean

◁ **Thickened frosted bottom**
The textured bottom prevents scratches and improves durability.

◁ **Capacity scale**
The capacity indication on the side of the plate is listed in litre.
Allows capacity measurement and capacity control.

STANDARD ALUMINUM SHELVING

- In the large-scale catering industry which requires frequent delivery,loading and unloading of products during operation, the shlef mu have suficient stability.strength, and meet hygienic storage standard. Aluminum shelving can accurately achieve the design purpose, and it can bear the heavy products which is hardest to move in any complex environment and it is easy to clean and adjust.

- This is a modular system whose frame can be combined fexibly to fix any area and size. The key parts incude columns, column connectors, cross beam andpartitions, are available in various sizes. They can be easily configured to build cutomized racks so as to acchieve max storage space.
