Four heads 1.8-3.2m
Sublimation printer

Machine Features

1. Hansen network port board, high precision, fast speed, bright and delicate printing pictures, good stability
2. Equipped with ink shortage and paper shortage alarm function,trolley anti-collision device and emergency stop button,truly unattended
3. Industrial-grade high-precision platform to ensure the flatness of the printing surface
4. Equipped with advanced intelligent nozzle cleaning and moisturizing device, it provides safe and convenient nozzle cleaning and maintenance functions, making operation and maintenance more convenient and quick

Parameters and specifications

Model	DS-R1804S	Sprinkler type	i3200E1/A1/DX5
Max printing width	3200mm	Nozzle height	2mm-3mm
Printing speed	4 colors 8 colors	Printing height	1.5mm-5mm Adjustable
	4pass: 100m²/h 50m²/h	Media weight	75KG
	6pass: 64m²/h 34m²/h	Printing media	Leather,Canvas,Banner,PVC Vinyl,Photo Paper,Silk Fabric,etc
Inks	Inks type：Water-base/Eco solvent		
	Ink Color：Four colors: C/M/Y/K Eight colors: C/M/Y/K/Lc/Lm/Lk/LIK		
	Ink Supply：Positive pressure Dalian ink supply		
Platform heating	ront,middle and rear	Connecting port	USB2.0
Take up system	Take up system with double automatic motors	Heating system	Infrared heating system
RIP Software	Maintop,Photoprint,Wasatch,ONYX	Power	3800W
Working environment	Temperatue:20℃-35℃ / Humidity:35%RH-65%	Power supply	AC110V±10%，AC220V±10%，50/60hZ
Packaging size	L4400xW1100xH1550mm	Box Packaging Size	L4600xW1000xH850mm
Net weight	750KG	Gross weight	850KG
