

Portable Power Station

HF- S10**High Capacity**

Key Features & Function

- ✓ 1000Wh LFP Battery (2000+ Cycles)
- ✓ 1000W Pure Sine Wave
- ✓ AC/Solar Dual Charge
- ✓ Multi-Output with real-time monitoring
- ✓ Full Protection
- ✓ Built-in Stand & Carry Handle (15kg)

Application

- ✓ **Outdoor:**
 - Lighting, power tools, vehicle/emergency rescue
- ✓ **Leisure:**
 - Smartphones, tablets, cameras, GPS devices

ABOUT HUAFU / Hoffum®

- Since 1990, Huafu has been engaged in battery manufacturing for more than 35 years.
- Super factory for lead-acid batteries, lithium batteries and sodium batteries.

Product parameters

MODEL	HF- S10
Product Specifications	
Battery Capacity	1000Wh
Inverter Output	AC 110V/220V
Output Frequency	220V 50Hz / 110V 60HZ
Output Waveform	Pure Sine Wave
Solar Charging Input	270W (18V MAX, 15A)
AC Charging Input	185-245Vac
Rated Output Power	1000W
Operating Temperature	-20°C to +50°C
Operating Humidity	<90% RH (Non-condensing)
USB-A1*2	5/9VDC/2.4A
Type-c*2	5-20V/DC/3A
Weight	15kg
External dimensions	200*240*585MM
Packaging dimensions	650*260*305MM (1pc/carton)
Battery Pack	
Battery type	LiFePo4
Standard rated voltage	12.8V
Standard rated capacity	80AH (1000WH)
Cycle life	>2000 times
Solar Charging	
Input voltage	18V 100W-300W
Charging time	6 hours (MAX 16A)
Charging time	6.5 hours (MAX 15A)
