**AOSEN & Boya**

Aosen is a famous acoustic guitar brand of China. For years of efforts, the brand has earned high reputation among players with stunning design, outstanding sound performance and durable quality. In China, the name stands for high-class acoustic guitars. This is the main reason that Boya agrees to represent the name to abroad.

As a comprehensive service supplier, Boya focuses on customization of acoustic guitar, body and neck as well as parts supplying. Besides, Boya also dedicates to introduce exceptional brands of China to overseas. Therefore, Boya has established firm partnership with those factories, Aosen is one of them.
