Portable Lawn Mower

Product Description

Equipped with an upgraded high-power, 2-stroke single-cylinder engine, this mower delivers powerful performance and long-lasting stable operation under heavy loads. It features a strong magnetic quick-start system and recoil start for easy ignition. The mower is designed with a lightweight aluminum alloy shaft and a sturdy handle, making it fuel-efficient. It also comes with a high-hardness sharp blade, ensuring that weeds and bushes are cleared in no time.
