

4U Rackmount PC

SIN-610L-JH81MA

### Main feature

intel®  
H81 chipset

Core 4generation  
CPU

Supports up to  
16G memory

VGA+2\*HDMI  
triple display

2\*Intel Gigabit  
Ethernet

9\*USB ports  
( 2\*USB3.0 )

6\*COM ports  
( 2\*RS232/422/485 )

4\*PCI slots  
3\*PCIe slots

|                 | Specific parameters                                                                                                  |
|-----------------|----------------------------------------------------------------------------------------------------------------------|
| Chipset         | Intel® H81 chipset                                                                                                   |
| CPU             | LGA1150 architecture, supports Intel Core 4th generation I3/I5/I7 processors                                         |
| Memory          | 2*DDR3 DIMM memory slots, 1600/1333MHz, supports up to 16G                                                           |
| Display         | 1*VGA interface, 2*HDMI interface                                                                                    |
| Hard disk       | 2*SATAIII interface, 2*SATAII interface, 1*M.2 M KEY slot                                                            |
| Network         | 1*Intel I217-LM*Gigabit network port, 1*Intel I217-AT*Gigabit network port                                           |
| Expansion       | 1*PCIeX16C slot, 1*PCIeX4 slot, 1*PCIeX1 slot, 4*PCI slot, 1*Mini-PCIe slot                                          |
| COM             | 6*COM ports (2*RS232/422/485, 4*RS232)                                                                               |
| USB             | 9*USB ports (2*USB3.0, 6*USB2.0, 1*built-in USB2.0 port)                                                             |
| I/O front panel | 2*front USB2.0 ports, 1*power button, 1*reset button, 1*power indicator, 1*hard disk status indicator                |
| I/O rear panel  | 2*USB3.0, 4*USB2.0, 2*Intel Gigabit Ethernet ports, 1*VGA port, 2*HDMI port, 3*audio ports, 1*P/S2 port, 6*COM ports |
| Audio           | MIC、line in、line out                                                                                                 |
| Sound card      | —                                                                                                                    |
| Power           | 300W rated power (400W or 550W power supply can be replaced)                                                         |
| Size            | 430 (with ears 482) x481x 177mm (width*depth*height)                                                                 |
| Weight          | About 23Kg                                                                                                           |
