DS003K-T Metal Car USB Charger 18W 3.0 Quick Charge 20W USB C Fast Charger USB 3.0 in-Car Chargers with Blue LED & Touch Switch

Looking for a reliable and efficient car charger to keep your devices powered up on the go? Look no further than the DS003K-T Metal Car USB Charger. This innovative car charger is equipped with QC3.0 and PD Type C dual ports, allowing for simultaneous fast charging of two mobile devices. With a total output of up to 30W when both ports are in use, this car charger ensures that your devices are powered up in no time, making it the perfect companion for road trips, daily commutes, and everything in between.

Not only does the DS003K-T Metal Car USB Charger deliver exceptional charging capabilities, but it also boasts a sleek and user-friendly design. The touch switch and blue LED light not only add a modern and stylish touch to your car's interior, but they also make it easy to locate and use the charger, even in low-light conditions. Additionally, this car charger is certified RoHS, CE, and FCC, providing multiple protections against over-current and ensuring the safety of your devices while they are being charged.

Compatible with all Android and iOS mobile devices, the DS003K-T Metal Car USB Charger is a universal solution for keeping your devices powered up on the go. Whether you're using a smartphone, tablet, or other USB-powered device, this car charger has you covered. Say goodbye to the frustration of slow charging and unreliable power sources - with the DS003K-T Metal Car USB Charger, you can enjoy fast and efficient charging wherever the road takes you. ABS+PC fireproof material will not be burnt-out, which is safer than the plastic one.

In conclusion, the DS003K-T Metal Car USB Charger is the ultimate solution for fast and reliable charging in your vehicle. With its dual ports, touch switch, blue LED light, and universal compatibility, this car charger is a must-have accessory for anyone who relies on their devices while on the move. Say hello to hassle-free charging and never worry about running out of battery again with the DS003K-T Metal Car USB Charger.

Product Name	Car USB Charger 18W QC 3.0 Quick Charge 20W PD USB C
Type	Car Power Charger
Function	12V Dual USB Socket Car
USB Port	18W QC 3.0+20W PD USB C
Model Number	DS003K-T
Size	60*33*20.7mm
Housing Color	Black
Input Voltage	12V-24V

Output Voltage	5V -12V
WEIGHT	50g
