Size: 60\*33\*20.7mm

## **DS004K-T Metal Car USB Charger 5v 2.4A dual ports Car Chargers with Blue LED & Touch Switch**

The DS004K-T Metal Car USB Charger is a high-quality and versatile charging solution designed to meet the needs of modern car owners. With its 5v 2.4A dual ports, this car charger is capable of charging two devices simultaneously at a rapid pace, making it perfect for individuals on the go. The inclusion of blue LED and touch switch adds a touch of modernity and convenience to the design, allowing users to easily control the ON and OFF of the switch button and LED lights.

In addition to its convenient design, the DS004K-T Metal Car USB Charger boasts a range of advanced safety features. It is equipped with short circuit protection, low tension, over-charging, overcurrent, overvoltage, and IP65 waterproof capabilities, ensuring that your devices are protected from potential damage while charging. This makes it a reliable and durable option for individuals seeking a dependable car charger for their mobile devices.

Furthermore, the DS004K-T Metal Car USB Charger is a universal dual USB C car charger, compatible with all Android and iOS mobile devices. This means that regardless of the device you own, you can rely on this charger to provide a fast and efficient charging experience. Whether you're on a road trip, commuting to work, or simply running errands, this car charger is a must-have accessory for anyone who relies on their mobile devices throughout the day. Certified RoHS, CE & FCC the double USB car charger has multiple protection against over-current, overcharging and will guard the safety of your devices. ABS+PC fireproof material will not be burnt-out, which is safer than the plastic one.

In conclusion, the DS004K-T Metal Car USB Charger is a top-of-the-line charging solution that combines advanced safety features with a sleek and modern design. Its compatibility with a wide range of devices, along with its rapid charging capabilities, makes it an essential accessory for individuals who prioritize convenience and reliability. With its durable construction and versatile functionality, this car charger is a valuable addition to any vehicle, ensuring that you can stay connected and powered up wherever your travels take you.

Product Name	Car USB Charger 5v 2.4A dual ports fast charge two devices
Type	Car Power Charger
Function	dual 5V 2.4A USB port
USB Port	Two 5V 2.4A Charging ports
Model Number	DS004K-T
Size	60*33*20.7mm
Housing Color	Black

Input Voltage	12V-24V
Output Voltage	5V/2.4A; 9V/2A; 12V/1.5A
WEIGHT	50g
