

DS004M USB-A QC3.0+PD Motorcycle USB charger

DS004M60W Powerlet Plug Charger to USB C and USB-A QC3.0+PD Motorcycle USB charger

- 1、 This USB-A & USB-C Hella (Din) Charger is ideal for motorcycle continental type Hella / DIN power socket to connect applications to European bikes.
- 2、 product dimensions: 6.5 x 2.7 x 2.7 cm; 36.5 g
- 3、 Certified by RoHS, CE
- 4、 High-quality fireproof material with water-resistant weather cap and blue LED indication light;
- 5、 Compatible with every model iPhone

**DS004M 60W Powerlet Plug Charger to USB C and USB-A QC3.0+PD Motorcycle USB charger**

Motorcycle USB car charge QC3.0+PD for all types of mobile phone charging safe and durable

**Product description**

Input voltage: 12V-24V ± 4.0V

USB (output) voltage: 5V ± 0.25V  
Output Current: 5V 3A; 9V 2A ;12V 1.5V  
Power: 60W

Introducing the 60W Powerlet Plug Charger to USB C and USB-A QC3.0+PD Motorcycle USB charger, the perfect solution for powering up your devices on the go. Specifically designed for motorcycle continental type Hella / DIN power sockets found on European bikes, this charger is a versatile and essential accessory for riders who rely on their devices while on the road.

With dimensions of 6.5 x 2.7 x 2.7 cm and weighing just 36.5 g, this compact charger is easy to carry and won't add unnecessary bulk to your gear. It is certified by RoHS and CE, ensuring its quality and safety standards meet international requirements. Crafted from high-quality fireproof materials, this charger is built to withstand the rigors of motorcycle travel. Its water-resistant weather cap provides added protection, making it suitable for use in various weather conditions. The blue LED indication light adds a touch of modernity and functionality, allowing you to easily monitor the charging status.

Equipped with both USB-C and USB-A ports, this charger offers versatility and convenience. It is compatible with every model of iPhone, ensuring that you can charge your device no matter where your journey takes you. The inclusion of QC3.0+PD technology means that your devices will charge quickly and efficiently, keeping you connected and powered up throughout your ride.

Whether you're navigating unfamiliar roads, staying connected with fellow riders, or simply enjoying your favorite music on the go, the 60W Powerlet Plug Charger to USB C and USB-A QC3.0+PD Motorcycle USB charger is the reliable and efficient solution for all your charging needs. Stay powered up and connected while exploring the open road with this essential motorcycle accessory.

Product Name	USB-A QC3.0+PD Motorcycle USB charger
Model	DS004M
Input Voltage	12V-24V

Output Voltage	5V-12V
Output Current	3A
Operating Temperature	-25°C ~+60°C
Material	Aluminum alloy
Illuminated or not	Yes
Led Color	Blue(or Green,Red Color)
