**DS007M-Factory sales Curved 3.1A/3.3A BMW Hella DIN Motorcycle Power Adapter Dual USB Charger Waterproof for Dual USB Charger**

Dual USB socket 3.1A with waterproof cover 12V,120W IP66 waterproof motorcycle socket for iPhone

### **Product description**

Input voltage: 12V-24V

USB (output) voltage: 5V

Output Current: 5V 3.1A/3.3A

Package Dimensions 4.33 x 2.76 x 1.57 inches

Item Weight: 2.82 ounces

Introducing our latest innovation in motorcycle accessories - the Factory Sales Curved 3.1A BMW Hella DIN Motorcycle Power Adapter Dual USB Charger. This cutting-edge power socket is designed to cater to the charging needs of riders with BMW, Ducati, and Triumph motorcycles, offering unparalleled convenience and reliability on the road.

With an input range of DC 12 - 36V and an output of 5V 3.1 Amp (2.1A + 1A), this power adapter ensures fast and efficient charging for your devices, including smartphones, GPS devices, and other USB-powered gadgets. It is certified by RoHS and CE, guaranteeing high-quality performance and adherence to safety standards. The built-in intelligent multiple protection systems provide peace of mind, safeguarding your devices against overloading, overheating, and short circuits.

Designed for the adventurous rider, this power adapter features a water-resistant weather cap and a blue LED indication light, ensuring durability and visibility even in challenging weather conditions. Its compatibility with both iPhone and Android devices makes it a versatile and essential accessory for modern riders.

The sleek and curved design of the power adapter not only adds a touch of style to your motorcycle but also ensures a seamless and secure fit into the DIN power socket. Its dual USB ports allow for simultaneous charging of multiple devices, catering to the diverse needs of today's riders.

Whether you're embarking on a long-distance tour or navigating through urban streets, the Factory Sales Curved 3.1A BMW Hella DIN Motorcycle Power Adapter Dual USB Charger is your reliable companion, keeping your devices powered up and ready for the journey ahead. Experience the ultimate convenience and peace of mind with this waterproof and high-performance power adapter, designed to enhance your riding experience.

Product Name	3.1A/3.3A Motorcycle Dual USB Charger
Input Voltage	12V-24V
Output Voltage	5V-12V
Output Current	3.1A/3.3A
Operating Temperature	-25°C ~+60°C
Material	Aluminum alloy
Illuminated or not	Yes
Led Color	Blue(or Green,Red Color)
