

Item name: DS009L QC3.0 Dual Type C PD car charger

Short description:

DS009L Oxide Black Metal Shell Three Power Interfaces QC3.0+Dual PD Socket Fast Charging Car Power Charger with LED

1. Efficient Quick charging: Power Delivery Ports(18W) of this Car Charger can quick charge new Phones and other PD-enabled devices much more faster than 5V/1A adapter.
2. Universal Compatibility: Works with USB-C and USB-A powered devices including Multi-brand mobile phone
3. All Aluminum Alloy Body: This 12V USB outlet built with high quality aluminum material which makes USB power outlet more stylish and elegant.
4. Superior Safety Protection: Built in intelligent circuit design protects against short circuiting, over-heating, over-current.

DS009L Oxide Black Metal Shell Three Power Interfaces QC3.0+Dual PD Socket Fast Charging Car Power Charger with LED

Specification:

Type: USB Car charger Socket

Light Color: Red (or Green, Blue Color)

Rated: DC 12/24V

Material: PA+hardware

Featuring two Power Delivery ports (18W), this car charger is capable of quick charging new phones and other PD-enabled devices much faster than a standard 5V/1A adapter. Whether you're using a USB-C or USB-A powered device, this car charger is compatible with a wide range of mobile phones and other electronic devices, making it the perfect companion for all your charging needs on the road.

Crafted with high-quality aluminum material, this 12V USB outlet not only delivers superior performance but also adds a touch of elegance to your car interior. Its durable construction ensures long-lasting reliability, while the stylish design complements any vehicle's interior.

In addition to its impressive charging capabilities and premium design, this car charger is equipped with intelligent circuitry that provides protection against short circuiting, over-heating, and over-current, ensuring the safety of your devices while they are being charged.

Whether you're on a road trip, commuting to work, or simply running errands, our Power Delivery Car Charger is the perfect solution for keeping your devices powered up and ready to go. Say goodbye to slow and inefficient charging and experience the convenience of fast and reliable charging with our Power Delivery Car Charger. Stay connected and powered up wherever the road takes you.

Product Name	QC3.0 Dual Type C PD car charger
Type	USB Car charger Socket
Model Number	DS009L
Size	56*54mm
Housing Color	Black
Led Color	Red (or Green,Blue Color)

Voltage	12-24V
USB A Output Voltage Current	3.6V-6V/3A, 6-9V/2A, 9-12V/1.5A
Type C Output Voltage Current	5V/3.1A, 7V/2.4A, 9V/2A, 12V/1.5A
Power	MAX 36W
What You Got	2 x USB PD& QC3.0 car charger
Usage	motorcycle, boat, truck, ATV, RV, Marine, tractor, car, etc)
Material	ABS+Aluminum
