#### **Product description**

**Product Name:** Hella Dual USB with Cigarette Lighter

**Included Components:** Waterproof cap

**Special Feature:** Waterproof

**Product component:** DIN Hella Plug to USB & 12V Outlet

**Input Voltage:** 24 Volts

**Amperage: 3.3 Amps**

**Material: Copper + ABS Plastic**

**Illuminated or not: not**

### **Introduction:**

Introducing our latest innovation, the Din Hella Plug to Dual USB Charger 2.1A&2.1A + 12V Cigarette Lighter Socket for BMW Motorcycle. This versatile and high-performance device is designed to meet the charging needs of BMW motorcycles and automobiles, providing a seamless and efficient charging solution for your electronic devices on the go.

Equipped with a Din/Hella plug, this charger is compatible with any European DIN socket on BMW motorcycles and automobiles, ensuring a secure and reliable connection for charging. The inclusion of a 12V cigarette lighter socket further enhances its functionality, allowing for the use of standard car chargers for added convenience.

With dual USB ports delivering 2.1A each, this charger enables simultaneous charging of two devices, making it ideal for powering up your smartphone, tablet, GPS, or any other USB-powered device while on the road. The 5V output ensures a stable and rapid charging experience, keeping your devices powered up and ready for use.

In addition to its exceptional performance, this charger features a waterproof cap to cover the USB ports when not in use, providing protection against dust, moisture, and other environmental elements. This thoughtful design element ensures the longevity and reliability of the charger, making it suitable for use in various weather conditions.

Whether you're embarking on a long motorcycle journey or simply need to charge your devices while driving, the Din Hella Plug to Dual USB Charger 2.1A&2.1A + 12V Cigarette Lighter Socket for BMW Motorcycle is the perfect companion for all your charging needs. Its compact and durable construction, combined with its versatile compatibility, makes it an essential accessory for any BMW motorcycle or automobile owner.

Experience the convenience and reliability of our Din Hella Plug to Dual USB Charger 2.1A&2.1A + 12V Cigarette Lighter Socket for BMW Motorcycle and stay powered up wherever your adventures take you.
