

DS012M Motorcycle Dual USB Charger Power Adapter

DS012M Motorcycle Dual USB Charger with BMW Hella DIN & Powerlet Adapters for On-the-Go Charging

- 1、 Input DC 12 - 36V; Output 5V 4.6 Amp (2.4A + 2.4A) - Can charge two mobile devices BMW USB
- 2、 with water-resistant weather cap and blue LED indication light
- 3、 Certified by RoHS, CE
- 4、 For motorcycle continental type Hella / DIN power socket, compatible with BMW, Ducati, and Triumph Motorcycles
- 5、 Product with voltage indicator screen real-time monitoring product safety issues

DS012M Motorcycle Dual USB Charger with BMW Hella DIN & Powerlet Adapters for On-the-Go Charging

Product description

Product name: B WM din charger

Input voltage: 12v-24v

Output: 5V 4.8A

Application: Mobile Phone Tablet MP3 GPS

Material: ABS+PC

Weight: 48g

Function: charging and monitor voltage

USB port: Dual / 2 Usb Port

Logo: Customized Logo

Introduction:

The DIN Hella Powerlet Plug to Dual USB Charger Adapter 4.8 Amp, compatible with BMW, Ducati, and Triumph motorcycles. This innovative product is designed to provide on-the-go charging for your electronic devices while riding. With its dual USB ports and 4.8 Amp output, it allows you to charge two devices simultaneously at a rapid speed, ensuring that you stay connected and powered up during your motorcycle journeys.

The compatibility with BMW, Ducati, and Triumph motorcycles makes this charger adapter a versatile and convenient accessory for riders of these popular brands. The Hella DIN and Powerlet adapters ensure a secure and reliable connection to your motorcycle's power source, allowing you to charge your devices without any hassle.

Whether you need to charge your smartphone, GPS device, or any other USB-powered gadget, this dual USB charger adapter provides a reliable and efficient solution. Its compact and durable design makes it ideal for long rides, ensuring that you can keep your devices charged without taking up valuable space on your motorcycle.

In addition to its practical functionality, this charger adapter is also designed with a focus on safety. It features built-in protection against overloading, overheating, and short circuits, providing peace of mind while charging your devices on the road.

Overall, the DIN Hella Powerlet Plug to Dual USB Charger Adapter 4.8 Amp is a must-have accessory for motorcycle enthusiasts who value convenience, versatility, and safety. Whether you're embarking on a long-distance tour or simply commuting around town, this charger adapter ensures that you can stay connected and powered up wherever your motorcycle adventures take you.

With its seamless compatibility with BMW, Ducati, and Triumph motorcycles, this charger adapter is a practical and reliable solution for on-the-go charging. Invest in this high-quality accessory and elevate your riding experience with the convenience of keeping your devices charged and ready for the journey ahead.
