[Type C and QC3.0 USB car port]
The most Advanced Type C Power waterproof socket technology provides a blazing-fast charge to USB-C devices, while Quick Charge 3.0 technology provides a charge speed which is up to 4X faster than conventional charging, charges twice as fast as Quick Charge 1.0 and 38% more efficient than QC 2.0.

[LED Voltage Display]
This car charger socket built in digital LED voltage monitor, displays the real-time accurate voltage status of your vehicle's battery for preventing problems caused by low voltage, the led light also makes quick and easy to find USB ports in the dark or at night.
[Certified Safe Guarantee]
Certified by CE. With Smart sense IC Technology, each port intelligently identifies your device and seeks to maximize its charging speed. Built-in safeguards protect your devices against excessive current, overheating, and overcharging.
[What You Get]
12V USB Type C + QC 3.0 Outlet

Installation is straightforward, with the unit typically fitting into existing socket spaces or requiring minimal modification for a clean, professional look. The LED voltmeter provides a clear, blue-hued display of your vehicle's battery voltage, allowing you to keep an eye on power levels during long journeys and prevent unexpected battery drainage.

In summary, the ABS Black Housing Upgraded 12V 24V Power Outlet with QC3.0 Dual USB Car Charger Socket and LED Digital Voltmeter offers a powerful, efficient, and stylish charging solution that enhances your driving experience, ensuring your devices are always ready when you need them most.
