

1. DS020V/DS021V

Item name: DS020/21V Temperature and Voltage Meters Dual Display Male plug

Short description:

DS020/21V New Temperature and Voltage Meters Dual Display Male plug with Car Mounted

- 1. Low temperature without scalding**
- 2. Multifunctional car charging**
- 3. Voltmeter and thermometer**
- 4. Cool multi-color display in three**

DS020/21V New Temperature and Voltage Meters Dual Display Male plug with Car Mounted

Specification:

Material: PC、ABS

Body color: Black

Power Input: DC 12V-24V

Port: voltmeter and thermometer

DS020/21V New Temperature and Voltage Meters Dual Display Car Mounted, the ultimate solution for monitoring temperature and voltage in your car. This innovative device offers a range of features designed to enhance your driving experience and keep you informed about the important aspects of your

vehicle's performance.

One of the key benefits of the DS020/21V is its ability to measure temperature without the risk of scalding. This is particularly useful for monitoring the temperature of your car's interior, ensuring a comfortable and safe environment for both you and your passengers.

In addition to its temperature monitoring capabilities, the DS020/21V also serves as a multifunctional car charger. This means you can conveniently power up your devices while keeping an eye on the temperature and voltage levels in your car.

The device features a dual display, with a voltmeter and thermometer providing real-time readings of your car's voltage and temperature. This allows you to stay informed about the vital signs of your vehicle, helping you to identify any potential issues before they become major problems.

What sets the DS020/21V apart is its cool multi-color display, which adds a touch of style to your car interior. The vibrant display is not only visually appealing but also makes it easy to read the temperature and voltage readings at a glance.

Product Name	Temperature and Voltage Meters Dual Display Male plug
Input Voltage	12V-24V
Operating Temperature	-25°C ~+60°C
Material	PC、ABS
Illuminated or not	Yes
Led Color	Red,blue
Housing color	Black
Accessories	Nut
Order confirm	* What LED Color?
What You Get	1X voltmeter and thermometer, color LED
