DS039M power converter charging port

### DESCRIPTION:

DS039M Multi functional Car Charger 150W12V220V Power Converter Phone Laptop Power USB Port power converter charging port

Product features:

1. Applicable to AC smart sockets
2. BS flame-retardant material shell
3. It has a power indicator light that can display the working status of the inverter
4. DC e-cigarette input port, made of high-quality aluminum magnesium alloy material, safe and reliable

### **DS039M Multi functional Car Charger 150W12V220V Power Converter Phone Laptop Power USB Port power converter charging port**

This innovative power converter is designed to meet the demands of modern technology, providing a seamless power supply for a wide range of devices.

Equipped with AC smart sockets, this power converter is compatible with a variety of electronic devices, including laptops, smartphones, and other gadgets. The BS flame-retardant material shell ensures the safety and durability of the converter, providing peace of mind during use.

The power indicator light is a convenient feature that allows users to easily monitor the working status of the inverter, ensuring that power is always available when needed. Additionally, the DC e-cigarette input port, made of high-quality aluminum magnesium alloy material, adds an extra layer of safety and reliability to the converter.

With its compact and portable design, this power converter is perfect for use in the car, on camping trips, or during outdoor activities. The USB port provides an additional charging option for mobile devices, making it a versatile and essential tool for staying connected while on the move.

Whether you need to power your laptop for work on the road, charge your smartphone while traveling, or run small appliances during outdoor adventures, the Multi-functional Car Charger 150W 12V 220V Power Converter Phone Laptop Power USB Port is the ideal solution. Its advanced features and durable construction make it a must-have accessory for anyone who needs reliable power on the go.

In conclusion, the Multi-functional Car Charger 150W 12V 220V Power Converter Phone Laptop Power USB Port offers a combination of versatility, safety, and convenience, making it an essential tool for anyone who needs reliable power on the move. With its smart design and advanced features, this power converter is the perfect solution for all your on-the-go power needs.

Product name	DS039M power converter charging port
Model	DS039M
Housing Color	Black/Red
Size	6*4*1.5cm
current	15A
Voltage	5V
Power	150W
Led color	Blue
Weight	150g
