Function: USB or power socket or cigarette lighter can be freely assembled

IB-AD3/AD4/AD6/AD7 Car Truck Marine Boat RV Vehicle Switch 2/3/4/5/6 Gang Rocker Toggle Aluminum Housing Bracket Panel

When it comes to finding the perfect rocker toggle panel for your car, truck, marine boat, RV, or other vehicles, quality and customization are key factors to consider. Our range of 2/3/4/5/6 gang rocker toggle panels are designed to meet the highest standards of durability and performance. Constructed with aluminum housing brackets, these panels are made of high-quality

materials, ensuring higher hardness and stable quality compared to ordinary materials. Our commitment to quality is further demonstrated through the use of professional testing equipment to conduct strict testing of products, ensuring that they meet and exceed industry standards.

In addition to their superior quality, our rocker toggle panels offer the flexibility of customization to meet specific customer requirements. Various specifications can be tailored to suit individual needs, providing a personalized solution for different vehicle and marine applications. Whether you need a specific number of gangs, a particular design, or custom labeling, our panels can be customized to meet your exact specifications. This level of customization ensures that our panels are versatile and adaptable to a wide range of uses, making them the ideal choice for discerning vehicle and marine enthusiasts.

In conclusion, our high-quality rocker toggle panels are the perfect choice for those seeking durable, reliable, and customizable solutions for their vehicles and marine applications. With a focus on quality materials, rigorous testing, and the ability to customize specifications, our panels offer a level of performance and versatility that sets them apart from ordinary options. Whether you're looking for a panel for your car, truck, marine boat, RV, or other vehicles, our range of rocker toggle panels is designed to meet and exceed your expectations.

Product Type	Rocker Toggle Aluminum Housing Bracket Panel
Product model	IB-AD3/AD4/AD6/AD7
Function	Rocker switch / USB Charger / Voltmeter
Place of Origin	Zhejiang.China
Housing Color	Black
LED Color	Blue/Red/Green
Brand Name	WLT
Operating Temperature	-25° C~+80° C

Panel Materia	Fireproof ABS/aluminium/TPU
Application	Car RV,ATV ,Boat, Marine
