

Item name: IB-P502/IB-P505/IB-P507/IB-P510 5 gang ship switch charger panel

Short description:

IB-P505/IB-P507/IB-P510 is panel combination for 3 gang ship switch colorful voltmeter dual 3.1A USB car charger

- 1.Easy to install, durable, suitable for 12V/24V systems, completely environmentally friendly
- 2.Equipped with a rubber sealing cover to maintain waterproofing, most suitable for the ocean.
- 3.The fashionable and modern design is very suitable for your high-quality machinery and equipment.
- 4.Pre wired allows you to easily install on 12V and 24V vehicles, yachts, ships, and caravans.

IB-P505/IB-P507/IB-P510 is panel combination for 3 gang ship switch colorful voltmeter dual 3.1A USB car charger

Specification:

3 rocker switch, voltmeter, dual port USB car charger, power socket choose two free combinations

Weight: 200g

Material: ABS/PC

Body color: Black

Power Input: DC 12V-24V

Pre wired allows you to easily install on 12V and 24V vehicles, yachts, ships, and caravans

With four gang rocker switches, this panel allows you to control multiple

electrical devices with ease, providing a convenient and organized way to manage your power supply. The dual 5V 3.1A USB car charger feature ensures fast and efficient charging for your mobile devices, making it ideal for use in cars, trucks, RVs, and boats. Whether you need to power up your smartphones, tablets, GPS devices, or other USB-powered gadgets, this panel has got you covered.

The panel is designed with a focus on safety and durability, featuring high-quality materials and construction to ensure reliable performance and long-lasting use. The sleek and modern design of the panel makes it a stylish addition to any space, seamlessly blending in with your existing decor while providing essential power and charging capabilities.

Installation is quick and easy, making it suitable for both professional electricians and DIY enthusiasts. The panel is designed to meet the highest standards of quality and performance, providing peace of mind and convenience for all your power and charging needs.
