

Item name: IB-P504/IB-P512 4 gang ship switch Laser carved panel with voltmeter

Short description:

IB-P505/IB-P507/IB-P510 is panel combination for 3 gang ship switch colorful voltmeter dual 3.1A USB car charger

1. Wide voltage design: 12-24V wide voltage design, suitable for both cars and trucks
2. Streamlined design: Perfect appearance, both inside and outside, complementing your beloved car
3. Fast charging: Intelligent power supply IC, stable and no fluctuation in current output
4. Five intelligent protections: overcurrent protection, voltage stabilization protection, overcharge protection, over discharge protection, and short circuit protection

IB-P505/IB-P507/IB-P510 is panel combination for 3 gang ship switch colorful voltmeter dual 3.1A USB car charger

Specification:

4 rocker switch, voltmeter, panel

Weight: 200g

Material: ABS/PC

Body color: Black

Power Input: DC 12V-24V

Wide voltage design: 12-24V wide voltage design, suitable for both cars and trucks

Fast charging: Intelligent power supply IC, stable and no fluctuation in current output

The streamlined design of the Car Charger not only ensures a perfect appearance, but also complements the interior and exterior of your beloved car. Its sleek and modern look adds a touch of sophistication to your vehicle, while also providing a practical and efficient charging solution.

Equipped with intelligent power supply IC, the Car Charger offers fast charging capabilities, ensuring a stable and consistent current output without any fluctuations. This means you can charge your devices quickly and efficiently, without any compromise on safety or performance.

In addition, the Car Charger comes with five intelligent protections, including overcurrent protection, voltage stabilization protection, overcharge protection, over discharge protection, and short circuit protection. These advanced safety features provide peace of mind, knowing that your devices and vehicle are protected from any potential electrical hazards.

Whether you're on a road trip, commuting to work, or simply running errands, the Car Charger is the perfect companion for keeping your devices powered up while on the go. Its reliable performance, stylish design, and advanced safety features make it a must-have accessory for every car owner.

Product Name	4 gang ship switch Laser carved panel with voltmeter
Input Voltage	12V-24V
Output Voltage	5V-12V
Operating Temperature	-25°C ~+60°C
Material	Aluminium alloy
Terminal type	Band line
Illuminated or not	Yes
Led Color	Red / Green
Housing color	Black
Order confirm	* What LED Color?
What You Get	4 rocker switch+1 dual USB socket + 1 power socket
