

Item name: IB-P802 5 Gang Switch Panel Dual USB Socket Charger

Product description:

IB-P802 5 Gang Switch Panel Dual USB Socket Charger 4.2A + LED Voltmeter + 12V Power Outlet 12V with Red LED

USB socket output: DC 5V / 4.2A

Power outlet: DC 12V

Voltmeter display range: 0 - 24V

Overload protection: 12V - 24V, 15A DC

IB-P802 5 Gang Switch Panel Dual USB Socket Charger 4.2A + LED Voltmeter + 12V Power Outlet 12V with Red LED

USB socket output: DC 5V / 4.2A

Power outlet: DC 12V

Voltmeter display range: 0 - 24V

Overload protection: 12V - 24V, 15A DC

Color: Black

Material: ABS, Aluminium Plate

Voltage: 12V-24V

Operating Temperature: -25 degree to 80 degree

Are you looking to upgrade your vehicle with a versatile and efficient electrical control panel? Look no further than the 5 Gang Switch Panel Dual USB Socket Charger 4.2A + LED Voltmeter + 12V Power Outlet 12V with Red LED. This multi-functional panel offers a range of features designed to enhance the functionality and convenience of your car, truck, RV, ATV, boat, and more. With its dual USB socket output of DC 5V / 4.2A, 12V power outlet, LED voltmeter display range of 0 - 24V, and 5 blue LED toggle switches with overload, over-current, and short circuit protection, this panel is a must-have for any vehicle enthusiast.

The 5 Gang Switch Panel is designed for easy installation and convenient use. Its small size and excellent performance make it a practical addition to any vehicle. The panel is suitable for 12V/24V systems and comes pre-wired, making installation a breeze. Additionally, it includes 4x stainless steel screws for secure mounting. Whether you're looking to charge your devices on the go, monitor your vehicle's voltage, or control various electrical components, this panel has you covered. Its wide range of applications and durable construction make it a reliable choice for any vehicle owner.

Incorporating the 5 Gang Switch Panel into your vehicle not only adds functionality but also enhances the overall aesthetic. The red LED power outlet adds a stylish touch to your vehicle's interior while providing a convenient power source. The panel's versatility and practicality make it a valuable addition to any vehicle, offering a seamless blend of form and function. Upgrade your vehicle with the 5 Gang Switch Panel Dual USB Socket Charger and experience the convenience and efficiency it has to offer.
