

**Item name: IB-P901 6 Gang Rocker Switch Panel Power Socke**

**Specification :**

**IB-P901 6 Gang Rocker Switch Panel Power Socket with Dual USB Charger On Car Bus Ship Marine Boat 12/24V**

Housing Color: Black

Material: Aluminum

Size: As picture shown

Switch: ON-OFF switch

Switch Light Color: Blue/Green/Red

**IB-P901 6 Gang Rocker Switch Panel Power Socket with Dual USB Charger On Car Bus Ship Marine Boat 12/24V**

There are other different type: IB-P902 & IB-P903

Switch Rating: 12V 20A DC/24V 10A DC

Installation: Pre-wired

USB Pocket: 2 USB (5V 1A / 5V 2.1A)

Switch: ON-OFF switch

Switch Light Color: Blue/Green/Red

Are you looking to take your vehicle to the next level of functionality and convenience? Look no further than the 6 Gang Rocker Switch with 2 USB Sockets, Cigarette Lighter Socket, and Voltage Meter. This all-in-one control panel is made of high-quality aluminum and is designed to withstand the toughest conditions, making it perfect for marine use. With a rubber seal-cap to keep it water-tight, overload protection, and splash-proof, anti-corrosion, and waterproof features, this control panel is built to last and perform in any environment.

Installation is a breeze, and the sleek and contemporary design will seamlessly integrate into your vehicle's interior. Whether you're on land or sea, this control panel is suitable for controlling all electronic equipment on board, providing you with the ultimate convenience and control. The addition of the voltage meter ensures that you can monitor your vehicle's electrical system at a glance,

giving you peace of mind and added safety. Upgrade your machine with this versatile and practical control panel, and take your vehicle to the next level.

In conclusion, the 6 Gang Rocker Switch with 2 USB Sockets, Cigarette Lighter Socket, and Voltage Meter is the ultimate control panel for any vehicle. Its high-quality construction, waterproofing, and sleek design make it the perfect addition to any machine. With easy installation and the ability to control all electronic equipment on board, this control panel offers convenience, functionality, and peace of mind. Upgrade your vehicle today and experience the difference this control panel can make.
