

Item name: IB-P805 12V 24V DC Aluminum 5 Gang Rocker Switch Panel

Product description:

IB-P805 12V 24V DC Aluminum 5 Gang Rocker Switch Panel with Dual USB Cigarette Lighter Socket Voltmeter for Cars Boat Rvs Trucks

Material: ABS+PC+Aluminum

Rocker Switch: 5

Color: Blue/Green/Red

Input Voltage: DC 12V/20A, 24V/10A

Cigarette Socket: 12V/24V

USB Output: 5V 2.1A+2.1A

Waterproof: IP66

IB-P805 12V 24V DC Aluminum 5 Gang Rocker Switch Panel with Dual USB Cigarette Lighter Socket Voltmeter for Cars Boat Rvs Trucks

Are you looking to upgrade your vehicle with a multifunctional and durable accessory? Look no further than the 5 Gang Car Marine LED Rocker Switch Panel. This versatile panel is made of fireproof material, ensuring safety and durability. Its easy installation makes it suitable for all 12V-24V cars, trucks, buses, trailers, RVs, and marine boats. With 8 toggle switches, dual USB charger, cigarette lighter socket, and LED voltmeter, this panel is a must-have for any vehicle enthusiast.

The dual USB port is a standout feature, allowing you to charge phones, tablets, cameras, GPS devices, wireless headphones, and more. This convenient addition ensures that you and your passengers can stay connected and powered up while on the go. Additionally, the LED voltmeter provides real-time monitoring of the battery voltage, enabling you to maintain and extend the battery life. This feature is invaluable for anyone who relies on their vehicle for work or leisure and wants to ensure that their battery is always in optimal condition.

Whether you're a road trip enthusiast, a marine adventurer, or a professional driver, the 5 Gang Car Marine LED Rocker Switch Panel is a game-changer for your vehicle. Its multifunctional design and high-quality construction make it a reliable and practical

addition to any 12V-24V vehicle. With the ability to enhance both the functionality and safety of your vehicle, this switch panel is a worthwhile investment for anyone looking to upgrade their ride. Don't miss out on the opportunity to elevate your driving experience with this innovative and essential accessory.

Product Name	12V 24V DC Aluminum 5 Gang Rocker Switch Panel
Product model	IB-P805
Size	152.4*109.2*81.3mm
Material	ABS
Input Voltage	DC 12-24V
Output Voltage and current	12V 20A/24V 10A
Switch Function	ON-OFF Support custom
Size	as shown
Usage	Cars,off-road vehicles,buses,RVs,yachts,boats,etc.
