

WNF-009

WNF-009 Automotive LED Fuse

WNF-009 LED Blade Fuse Assortment 5A 10A 15A 20A 30A 40A, ATO/ATC 12vDC Automotive Protection with LED Indicator

Voltage 24 Volts

Material Zinc

Housing Materials: PC

Mounting Type Through-Hole Mount

About this item

PREMIUM MATERIALS — The terminals of blade automotive fuses are made from Zn alloy material, with strong conductivity and great corrosion resistance, can fuse the current fastly and precisely to protect your vehicles and electrical devices from a short circuit and overload

EASY TO CHECK — Transparent appearance for quick inspection of replacement fuse conditions, the car fuses assortment kit assorted can be easily identified by their color-coded plastic housings and the carved amp rating (2A/5A/ 7.5A/ 10A/ 15A/ 20A/ 25A/ 30A) figures on the top.) figures on the top

EASY TO STORAGE— All car fuses are packed in a molded case to protect standard and mini blade fuses.and for easy transport and storage. The case has locking snaps that will secure your fuse kit without spilling everywhere

WIDE APPLICATION — This car fuses kit can be used to protect your car and other electrical devices from short circuit, overload etc. It is perfect for various Cars, Trucks, SUVs, Vehicles, ATVs, UTVs, Camper RV, Motorcycles, Fleet, Golf Car, Boat, Snowmobiles, and most general DC applications etc. If you have any questions, please contact us.

INNOVATIVE DESIGN

This ATC / ATO style blade fuse has an LED light that glows when the fuse is blown. Day or night, an intelligent blade fuse with an LED indicator lamp will save you time and effort when identifying the troubled circuit.

Fast-acting replacement fuses can effectively protect your vehicles, farm machines and electrical device/ electrical gadgets from short circuit, overload, etc. STANDARD fuses are suitable for most German and EU cars, MINI fuses are suitable for most American and Japanese cars, LOW PROFILE mini fuses are suitable for most Japanese and Korean cars.

Product Name	Automotive LED Blade Fuse
Type	Blade type
Mount	Fuse blocks, In-line fuse holders
Amp Range of fuses holder automotive	2-40A
Fuse holder voltage Max operating	24V
