

1. WNF-A304-409 防水型

WNF-A304 Waterproof fuse holder

**WNF-A304 12 AWG 30A Automotive/Marine Weatherproof Blade Style ATO/ATC Fuse Holder with Cover**

- 1.AC Adapter Current 30 Amps
- 2.Brand Welfnobl
- 3.Voltage 12 Volts
- 4.Item dimensions L x W x H 7.09 x 1.18 x 0.79 inches
- 5.Material Brass, Copper

**WNF-A304 12 AWG 30A Automotive/Marine Weatherproof Blade Style ATO/ATC Fuse Holder with Cover**

Welfnobl Automotive/Marine Weatherproof Blade Style ATO/ATC Fuse Holder

About this item

ATC/ATO in-line fuse-holder protecting circuits and electrical equipment

Heavy duty 12AWG power wire made of pure Oxygen Free Copper as conductor to ensure its excellent electrical conductivity, Rated to 30 Amps

Features Locking Weatherproof Cover with Mounting Tab, Tight-fitting cover and silicone sealing gasket for moisture-proof, waterproof performance and dust proof

Waterproof Packing cover with mounting tab for easy installation. Perfect for under the hood and marine applications

The blade fuses pack & car fuses holder offers the ability to protect your vehicle & electrical equipment from short-circuiting or overload. Great for Under the Hood and Marine, heavy duty applications and unique rubber seals to protect blade-style fuses.

The fuse holders are made of heavy duty 12AWG power wire, pure Oxygen Free Copper as conductor, the cable meets the standard 12AWG, the rated current is 30AMP, have better performance in corrosion and oxidation resistance.

## CHARACTERISTIC

### Weatherproof Lid

Weatherproof ATO/ATC fuse holder can be used in any application where it is necessary to have a fuse that will be exposed to the elements. The specially designed sealing cover effectively prevents the entry of water and dust

### Easy-to-install

Easy-to-change ATO-ATC fuse holder, connect one end of the harness to your power supply and the other end to the power cord you want to connect

### High quality wire

Made of high-quality materials, it has good bending properties, comes with cap to seal out moisture. Brass electrical contact. Fuse 30A included, 12-gauge wire

## APPLICATION

Welfnobl fuse holders are suitable for marine, industrial, or automotive applications. They are available in a variety of characteristics

including actuator type; handle shape, body construction and size, terminal type, voltage rating, sealing properties, and illumination

Product Name	Car fuse holder
Type	Waterproof ATO/ATC fuse holder
Material	Plastic, metal
Amp Range of fuses holder automotive	30A
Fuse holder voltage Max operating	32V
Color	Black/RED
Cable size	12AWG
