WNF-A403 Blade fuse holder

WNF-A403 ATC In-Line Blade Fuse Holder 100% OFC Copper Wire Protection

- 1.Brand Welfnobl
- 2.Material Copper
- 3.Mounting Type Holder
- 4.Transparent Red PVC Wire Jacket

WNF-A403 ATC In-Line Blade Fuse Holder 100% OFC Copper Wire Protection

Waterproof in-Line ATC Fuse Holder for Car Truck Automotive Marine Industrial and RV

About this item

WATER-RESISTANT - Safeguard your electrical system with our water-resistant 16 gauge fuse holder. This durable and reliable fuse holder is designed to protect against moisture, ensuring a secure connection even in challenging environments. Perfect for automotive and marine applications, it offers the ultimate in water-resistant protection.

RUGGED PVC JACKET - Experience the reliability of our true spec 16 gauge wire, featuring a rugged PVC jacket for enhanced protection and durability. Ideal for high-performance applications, this wire delivers robust and consistent performance, ensuring your electrical connections remain secure in demanding conditions.

PURE OXYGEN-FREE COPPER (OFC) - Our fuse holder with 30A fuse is crafted from high-quality oxygen-free copper (OFC). This ensures optimal conductivity and reduced signal loss, providing a reliable and efficient electrical connection for a wide range of applications. Experience superior performance with oxygen-free copper technology.

30A FUSES INCLUDED - Our ATC fuse holder package comes complete with 30A fuses, ensuring you're equipped with the appropriate components for your electrical setup. These high-capacity fuses are designed to handle substantial power loads, providing added safety and reliability to your circuits.

Rubber Cap Waterproof design

- It fits on tightly to protect any mini blade fuse inside.

DIFFERENCE

- Please check to make sure standard fuse holder or mini fuse holder you need before purchase.

Fuse Holder Size

- Voltage Max Operating: DC 32V

- Fuse included: Yes

- 100% brand new & high quality

EASY TO USE

- MuHize in-line fuse holder commonly fits for blade fuses (rating 1Amp-30Amp),

Product Name	Car fuse holder blade fuse
Type	In-line ATS/ATO/ATC fuse holder
Loop Length	12inches /30cm
Amp Range of fuses holder automotive	1-30A

Fuse holder voltage Max operating	32V
Temperature Control Range	30~170 Celsius
