THE WORLD'S INITIAL 3D CURVED SCREEN

The 3D curved screen is surely a major breakthrough in the history of vape innovation

LIGHT THE SKY UP WITH A STAR-SHAPED UI.

With brighter luminance and more advanced control methods, MAX X provides a screen full of stars. The points of light are with you all the time during vaping.

HIGH COMFORT LEVEL

Mouthpiece friendly to bites

High comfort level Mouthpiece friendly to bites

The mouthpiece has a transparent shell design and employs materials of moderate hardness.

AI-POWERED ADJUSTMENT

We found the ideal equilibrium between airflow and power. Thus, you can relish an unrivaled user experience through effortless one-click adjustment.

QUICK CHARGE

Achieve all-day power with our high-current quick charging technology. In just 20 minutes, your device will reach 80% battery capacity.
