Technical Parameters

Brand	ZOOY
Reading tag	125kHz EM tags/13.56MHz ISO15693 TI tags/13.56MHz ISO14443A IC tags optional
Storage capacity	80,000 pcs patrol data
Card reading time	0.1 S
Reading distance	3-5cm
Impact record	32,000 pcs
Even	30 pcs for each checkpoint
Operation prompt	LED+LCD+buzzer beeps
Power consumption	60mA
Structure	Metal alloy
Battery	Built-in 900mAh rechargeable battery
LCD screen	TFT 3.0' Color Screen
Lighting	LED Lighting
Data download	USB cable
Net weight	180g
Size	125*56*26mm
Operation temperature	- 40℃~+70℃
