

Blocks Out Noise Not Your Voice

TWO-WAY RADIO SOLUTION
PROFESSIONAL MANUFACTURER SINCE 2006

Key Features

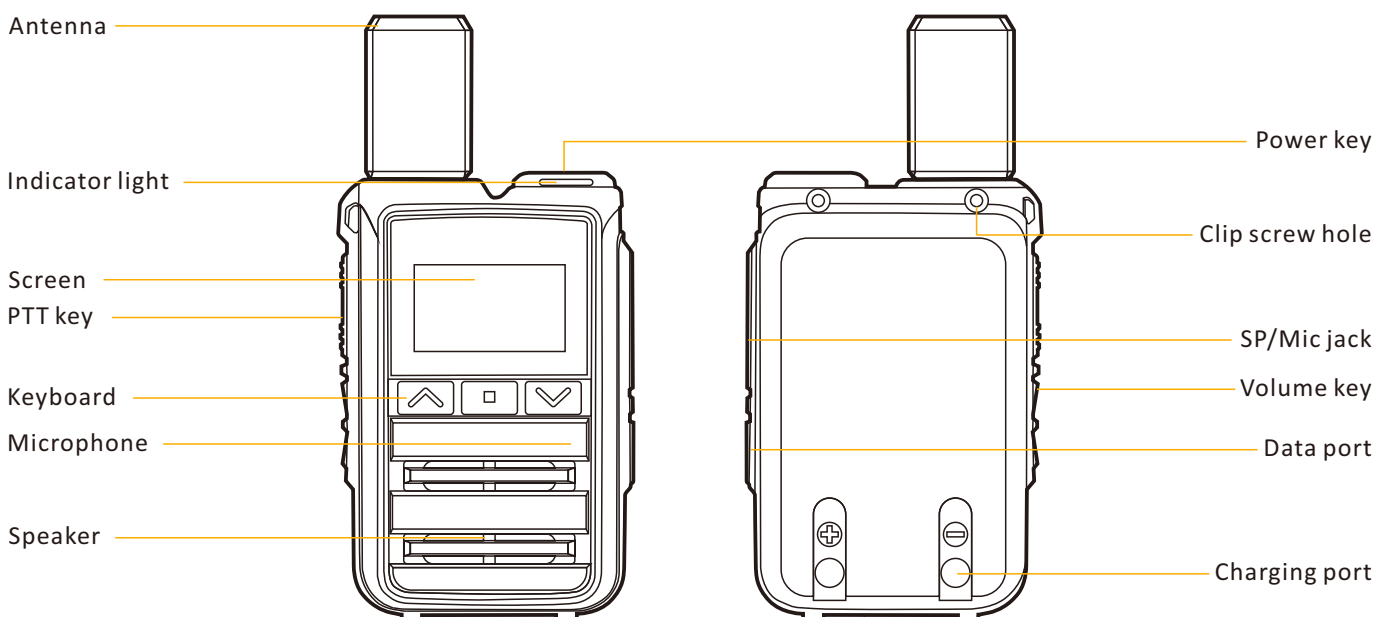

- Break Free from Distance with 4G Connectivity
- Up to 50 Customizable Groups Call
- No More Battery Worries, Stay 116hs Connected

ZOOY Z-200 is a compact, SIM-enabled two-way radio with global 4G LTE coverage. It supports private, individual, and group calls (up to 50 groups), delivering crystal-clear audio and reliable communication anytime, anywhere.

Features include an intuitive LCD display, strong and stable signal, and OEM packaging support — all at a competitive factory price. Small orders are welcome, and each unit comes backed by a 1-year warranty for added peace of mind.
