

ETMY

ET-C18

4G network connectivity

- New Cat. 1 module/ POC Global,Zello
- Group call/single call
- Type-C charging port
- High capacity battery

IP68

ADVANCED WATERPROOF
Waterproof POC network walkie-talkie

ETMY

Product Functional

High fidelity audio quality	Single call/Group call/All call	Low battery prompt
High definition color screen	Type-C charging port	Power saving mode
New CAT-1 module	High capacity polymer battery	Network switching

Product parameters

Dimensions	107*53*24mm		Weight	162g		Key	3 physical buttons
Display	Specifications	LED TFT color screen				Side key	3 test keys
Hardware configuration	Network	4G			Structural configuration	Horn	Φ 36 Horn
	Frequency band	GSM 900/1800				Indicator	support
		LTE FDD:B1.B3.B5.B8				Battery	3000mAh
		LTE TDD:B38,B39,B40,B41					
	Antenna	Internal Antenna			Interface Configuration	Charger	Optional
	Power	Power range 3.4-4.2V typical value 3.8V			Power management	Battery	Polymer lithium battery
	Chip	Made in China				ShutDown Current	≤ 60μA
GPS	Optional			Standby current		≤ 120mA	
					Charging time	≤ 6 hours	

Application Scenario

Taxi fleet

Construction site

Hotel

Large supermarkets

All Accessories

Host

TYPE-C data cable

Charger

Battery
