

## *Aluminum Plastic Composite*

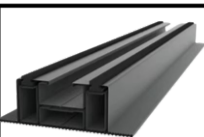

Seamless Integration for Outdoor Architecture

### ***ABOUT US***

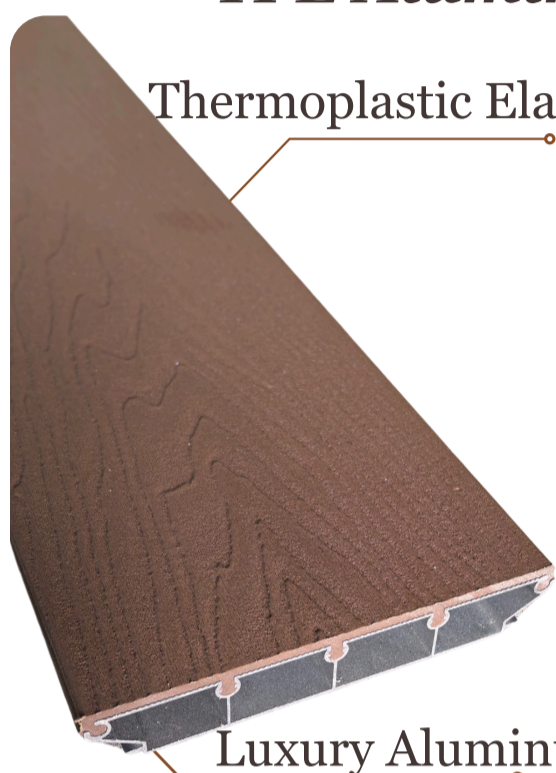

Born from a commitment to circular economy principles, We transforms aluminum into premium outdoor building systems that endure. Our closed-loop production process reduces carbon footprint by 40%, while customizable wall-cladding and flooring solutions adapt to diverse climates from Nordic frost to tropical humidity. Partnering with architects and developers across 30+ countries, we co-create spaces that harmonize ecological responsibility with aesthetic ambition – because every surface should tell a story of resilience.

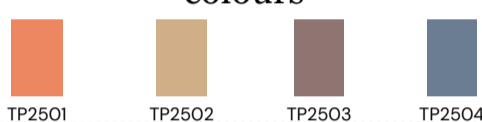

<b>FLOOR JOIST</b>		20mm*60mm
<b>SNAP-FIT</b>		40mm*35mm 40mm*29mm
<b>EDGE STRIP</b>		25mm*29mm

## TPE Aluminum Plastic Composite

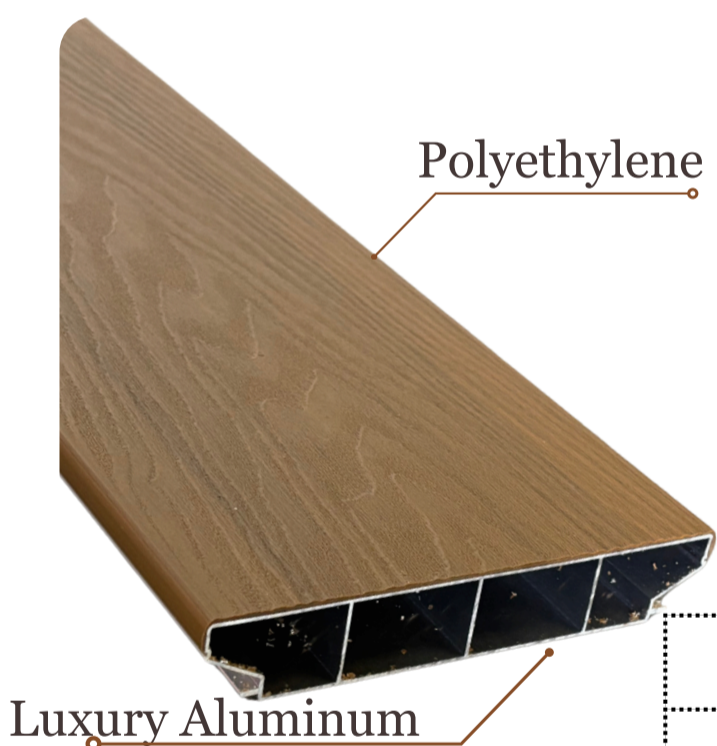

colours

Size	145mm*28mm/145mm*23mm /145mm*20mm
Aluminum THK	0.95mm~1.05mm
Thermoplastic Elastomer THK	2.5mm~3.0mm

## PE Aluminum Plastic Composite

PE2510 PE2511 PE2512 PE2513

Size	145mm*25mm/145mm*20mm
Aluminum THK	1.0mm
Polyethylene THK	1.4mm

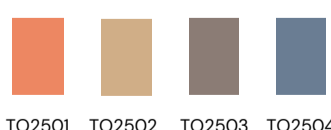

## TPE Aluminum Wall Panel

Thermoplastic Elastomer

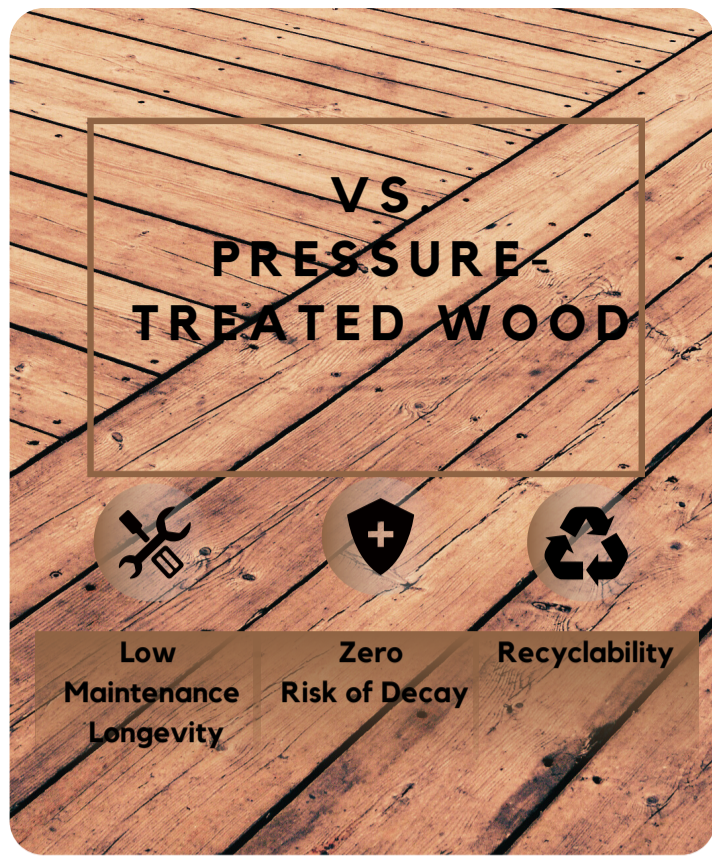

Luxury Aluminum

colours

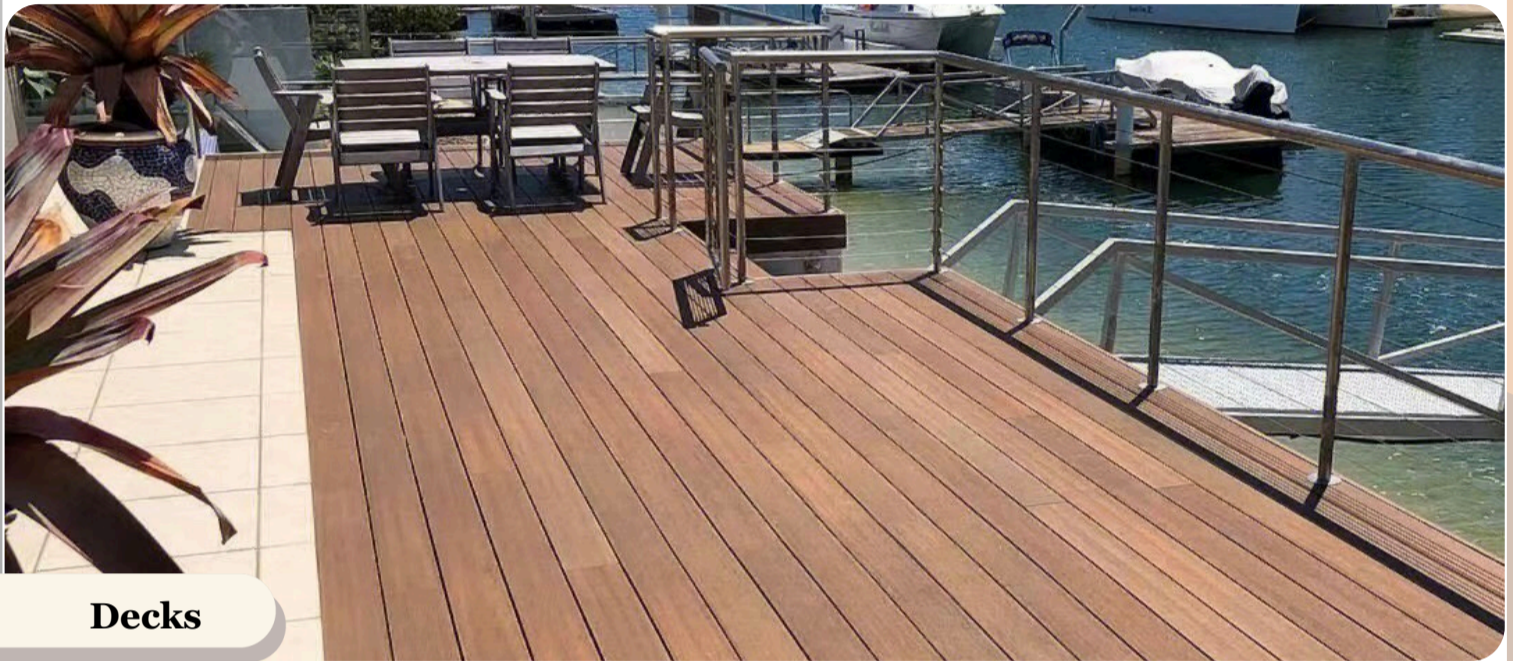

Size	166mm*10mm
Aluminum THK	1.0mm~1.05mm
Thermoplastic Elastomer THK	2.7mm~3.0mm

## why choose us?

## Applications

Foshan Yaoxing Aluminum Co.,LTD.

Address: No. 8 Xinghong South Road, Phase two, Changhong Ling Industrial Park, Shishan Town, Foshan, Guangdong, China
