MONSOON®

Make trust as nature

MONSOON INTERNATIONAL(GUANGZHOU) LIMITED

Monsoon Hardware was established in the year 2011. It's an import and export enterprises with production, research and development, domestic and foreign sales. We have our own factory which area is more than 10000 square meter with registered capital of 10 million Yuan. Monsoon have many industry-leading plastic processing equipment: Mixers, Granulating machines, PVC sheet extrusion machines, Single extrusion machines, Printing machines, Automatic cutting machines etc. The production capacity is more than 30 million meters per month.

Base in Guangdong, We offer high-quality and environment-friendly product and fast response service for many custom-made furniture brands. Our sales network throughout the country and the sales volume is in the forefront of the industry. Meanwhile our overseas sales grow rapidly, we mostly export to Southeast Asia, Russia, Eastern Europe, Central Asia and other regions. Our products receive the consistent high praise of customers. We firmly believe that Monsoon is your most loyal and trusted cooperation partner on the road to success. In order to reach our quality standard, Monsoon invest much money to set up Strategic cooperative relationship with many famous Chemical brands. We have experienced colorists and a production team to ensure stable quality. The young sales team offer fast response service to our customers.

OUR SUB-BRAND

MAXAVE®
To see maximum in minimum

Maxave is the global furniture hardware company built to transform your furniture hardware business.

Lanttich®
Optimal Solution For Furniture

Lanttich is a company focused on high-end kitchen hardware applications, bringing customers an unprecedented smart kitchen experience.

Moonplast®
Eco-friendly Edgbanding Advocate

Moonplast is an enterprise focusing on environmental edge banding, efficient intelligent production edge banding, and has become an advocate of environmental edge banding.

HINGE SERIES

We have a wide range of hinges for the kitchen such as :

- 26mm hinge
- 30° , 45° , 90° , 165° hinge
- American Style Hinge
- 35mm hinge
- Aluminum frame door hinges

High quality damping for a gentle closing experience and quiet noise reduction. The damping is built into the hinge arm, the function is concentrated, and the cushioning force is enhanced.

STRONG AND DURABLE

Simple and beautiful, strong stability.

RANGE OF ADJUSTMENT

Adjustment range increased by 50%
Hinge depth adjustment up to 5mm,
Horizontal adjustment up to 5mm.

SOFT CLOSING

Integrated silent damping system. Stainless
steel hidden cylinder. Make sure the hinge
opens and closes with quiet damping.

ELECTROPLATING

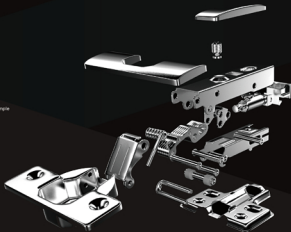

Double plating. Plated with copper and nickel.
Double-layer protection against rust.

OPENING ANGLE

105° wide opening angle. Full field of view,
easy access. Storage space without shelter.

Adopt innovative quick assembly technology to achieve simple
disassembly and assembly, saving worry and effort.

BALL BEARING SLIDE

Ball bearing slide series can realize all kinds of different cabinet solutions whether it is wood, or special plates, monsoon can use different materials and different scenarios, give full play to its product functions, stable and durable.

Precision steel balls

Double-row precision steel ball bearings ensure smooth operation and noise reduction, delivering an unparalleled comfortable pulling experience.

PRECISIONSTEEL BALL

Double row of precision steel balls, auxiliary push and pull smooth, noise reduction silent.

SOFT CLOSING

The buffering effect is not afraid to push, avoid collisions, and reduce noise in your life.

SMOOTH

Double row of balls more balls, Push-pull smooth without holding.

STRONG BEARING CAPACITY

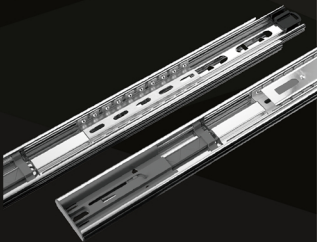

40KG load bearing capacity, Super stable, easy to use. More practical.

EASILY DISMOUNTABLE

One-click disassembly Built-in disassembly strip. Easy press and disassemble.

The precisely chosen ball diameters in steel ball slides guarantee smooth movement with excellent repeat positioning accuracy and parallelism.

LIFT SYSTEMS

Lift systems have revolutionized modern kitchen design with their unique advantages, making kitchens more convenient, practical, and aesthetically pleasing.

Effortless Elegance

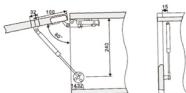

Cabinet gas struts feature a damping function that ensures smooth and noise-free operation during lifting and lowering, creating a quiet and comfortable kitchen environment.

LEGS SERIES

Furniture legs, as the supports and foundations of furniture, not only bear the weight of the furniture but also constitute an essential part of its overall aesthetic appeal.

A Perfect Combination of Stability and Aesthetics

They effectively prevent the furniture from directly contacting the ground, thus avoiding dampness and damage.
