

Dear Sir/Manager ,

I hope you're having a great day. I'd like to take a moment to introduce Shaanxi Kelong New Material Technology Co., Ltd. and highlight our diverse range of products that cater to various industrial sectors:

**Hydraulic Hoses:** Steel wire winding reinforced hydraulic hose, steel wire braided reinforced hydraulic hose, aviation special cotton wire braided rubber hose, PTFE hose and components, high pressure/ultra high pressure rubber hose for coal mine hydraulic support, high pressure hydraulic rubber hose;

**Hydraulic cylinder seals and special custom seals:** Hydraulic supports, cylinders, special rubber sealing components, static seals, dynamic seals and other seals, Aviation seals assembly, wind power equipment sealing assembly, high speed rail-way sealing product assembly;

**Special vehicles for fully mechanized (coal) mining**

**(Underground):** Underground coal mine support equipment carrier vehicle; Complete sets of equipment for rapid moving of fully mechanized coal mine face, Coal mine underground hydraulic support/support equipment complete sets of moving special vehicles, Full mechanized coal mine face rapid moving equipment, Underground Coal Mining Support Equipment Carrier Vehicles, Underground Coal Mining Support Equipment Carrier Vehicles;

**Explosion-proof Valves:** Flameproof valve, logic valve, proportional valve, reversing valve, etc.

With certification approval of "MA" , IRIS, GB/T 19001-2016/ ISO 9001 :2015 **Standard.**

If you are interested in learning more about any of these products or how we can assist your business, feel free to reach out. We would love to explore potential collaboration opportunities.

Your Prompt response shall be highly appreciated.

Yours sincerely,

**Linda Gao**
