Company Profile

Yangzhou Chuntao Accessory Co., Ltd. has more than 30 years' history in producing caps and seamless bandana, plastic peak.... In 1994, we reformed our enterprise with an investment from Taiwan. After that our main business scope changed into exporting caps and seamless bandanas to the USA and Europe.

In 2006, keeping up with the factory's development, we built up our own international business department. Equipped with more than 400 sets of machines, most of which are imported from Korea, our company has strong production capacity. Our daily output is 2,000 dozen caps and hats, 8,000 dozen plastic visors, 2,000 dozen plastic buckles, and 8,500 dozen plastic strips.

In recent years, the market is changing day by day, so we have our design team. Our hottest designers are in touch with the latest trends in fashion, continue to develop new styles hats using very latest materials and techniques. We are happy to announce we can offer our customers the most comprehensive range of cap styles and designs available.

Believing that "good product quality is the basis of an enterprise, and reasonable price is the competitive force of an enterprise", we are looking forward to serving more clients from all over the world with best quality products at most competitive prices.
