the hat says WV on it, which I assume stands for West Virginia. I never saw instructions on how to change the state to NC, this is why I am giving low score.

Cute hat. Love the bright pinkish coral color. Fits a bit snug but that's probably good for those breezy spring and summer days

Cut hag but...

It's a very, very cute hat. The fit is really nice. But unfortunately the manufactures decided to put a disposable Christmas bow on the top of the hat. Hot glued on the less most of the Hearts, when I got to the store, had the ribbon half turn off. This came from being shoved in and out of the shelf. On a sidenote, this is advertised as a unisex hat. I don't think I could get any of the men in my life to wear a hat with cutesy little candy, pink cheeks and fluttery eyelashes (no offense to those for Lowes who would) overall, a disappointment. The only reason I got one is it was 80% off.
