

# 19-inch Industrial Display

## KTB-DE190

19-inch Industrial Display  
Capacitive touch screen  
Resolution: 1280 x 1024

The KTB-DE190 is an industrial display of KTB, supporting a resolution of 1280\*1024.

The KTB-DE190 supports panel embedded, wall-mounted, and desktop installation methods. It adopts an aluminum-magnesium alloy panel with a surface protection rating of IP65. Equipped with multi-point capacitive touch technology and a flat design, the rear shell features a new concept of a fully enclosed shape. It is made of integrally die-cast aluminum alloy for heat dissipation, which endows it with stronger waterproof and dustproof capabilities and makes it more adaptable to harsh industrial environments.

## 19-inch Industrial Display

### Product Features:

- 19" touch screen, 1280×1024 resolution
- Fully enclosed die-cast aluminum for airtightness and EMC
- Panel embedded, wall-mounted, desktop installation
- Multiple expansion modules for diverse needs
- OEM & ODM supported
- 7×24-hour operation
- DC 12V power
