

13.3-inch Industrial Tablet PC

KTB-PM133

13.3-inch Industrial Tablet PC
Capacitive touch screen
Resolution: 1920 x 1080

The KTB-PM133 is an industrial tablet PC of KTB, supporting a resolution of 1920*1080. The processor options include Rockchip-RK3399/3288/3566 /3576/3588.

The KTB-PM133 supports wall-mounted and desktop installation methods. It adopts an aluminum-magnesium alloy panel with a surface protection rating of IP65. Equipped with multi-point capacitive touch technology and a flat design, the rear shell features a new concept of a fully enclosed shape. It is made of integrally die-cast aluminum alloy for heat dissipation, which endows it with stronger waterproof and dustproof capabilities and makes it more adaptable to harsh industrial environments.

13.3-inch Industrial Tablet PC

Product Features:

- 13.3-inch touch screen with a resolution of 1920*1080
- Processor options Rockchip-RK3399/3288/3566 /3576/3588
- Supports wall - mounted, and desktop installations
- It provides multiple USB ports, COM ports, LAN ports, etc., to meet different needs of users.
- It has a built - in multi - functional PCIe expansion slot for more function expansions.
- DC 12V

21.5-inch Industrial Tablet PC

KTB-PM215

21.5-inch Industrial Tablet PC
Capacitive touch screen
Resolution: 1920 x 1080

The KTB-PM215 is an industrial tablet PC of KTB, supporting a resolution of 1920*1080. The processor options include Rockchip-RK3399/3288/3566 /3576/3588.

The KTB-PM215 supports wall-mounted and desktop installation methods. It adopts an aluminum-magnesium alloy panel with a surface protection rating of IP65. Equipped with multi-point capacitive touch technology and a flat design, the rear shell features a new concept of a fully enclosed shape. It is made of integrally die-cast aluminum alloy for heat dissipation, which endows it with stronger waterproof and dustproof capabilities and makes it more adaptable to harsh industrial environments.

21.5-inch Industrial Tablet PC

Product Features:

- 21.5-inch touch screen with a resolution of 1920*1080
- Processor options Rockchip-RK3399/3288/3566 /3576/3588
- Supports wall - mounted, and desktop installations
- It provides multiple USB ports, COM ports, LAN ports, etc., to meet different needs of users.
- It has a built - in multi - functional PCIe expansion slot for more function expansions.
- DC 12V
