

15.6-inch Industrial Display

KTB-DH156

15.6-inch Industrial Display

Capacitive touch screen
Resolution: 1920 x 1080

The KTB-DH156 is an industrial Display of KTB, supporting a resolution of 1920*1080.

The KTB-DH156 supports panel embedded, wall-mounted, and desktop installation methods. It adopts an aluminum-magnesium alloy panel with a surface protection rating of IP65. Equipped with multi-point capacitive touch technology and a flat design, the rear shell features a new concept of a fully enclosed shape. It is made of integrally die-cast aluminum alloy for heat dissipation, which endows it with stronger waterproof and dustproof capabilities and makes it more adaptable to harsh industrial environments.

15.6-inch Industrial Display

Product Features:

- 15.6" touch screen, 1920×1080 resolution
- Fully enclosed die-cast aluminum for airtightness and EMC
- Panel embedded, wall-mounted, desktop installation
- Multiple expansion modules for diverse needs
- OEM & ODM supported
- 7×24-hour operation
- DC 12V power
