

21.5-inch Industrial Display

KTB-DM215

21.5-inch Industrial Display
Capacitive touch screen
Resolution: 1920 x 1080

The KTB-DM215 is an industrial display of KTB, supporting a resolution of 1920*1080.

The KTB-DM215 supports wall-mounted and desktop installation methods. It adopts an aluminum-magnesium alloy panel with a surface protection rating of IP65. Equipped with multi-point capacitive touch technology and a flat design, the rear shell features a new concept of a fully enclosed shape. It is made of integrally die-cast aluminum alloy for heat dissipation, which endows it with stronger waterproof and dustproof capabilities and makes it more adaptable to harsh industrial environments.

21.5-inch Industrial Display

Product Features:

- 21.5" touch screen, 1920×1080 resolution
- Fully enclosed die-cast aluminum for airtightness and EMC
- wall-mounted, desktop installation
