**CAST IRON VALVE**

**CAST STEEL VALVE**

**PIPE FITTING**

**CASTING AND FORGING PARTS**

**1996**

Founded with core products: flanges & fittings. Leveraged Qingdao Port to launch "Manufacturing + Export" model, gaining initial customers.

01

**2011**

Launched "FLUIDO" brand; started overseas expansion via international trade fairs.

03

**2019**

Hit USD 26M annual exports (35+ countries). Team grew to 250+; built end-to-end "Production-QC-Export-After-sales" system – became a northern China export benchmark.

05

## QINGDAO FLUIDO KEY MILESTONES (1996-2024)

02

**1998**

Expanded to valves & OEM metal parts, forming "Fittings + Flanges + Valves + OEM Parts" portfolio to meet diverse customer needs.

04

**2016**

Earned ISO9001 & CE certifications (global access). Focused on S. America, Europe, Oceania; partnered with 400+ clients.

06

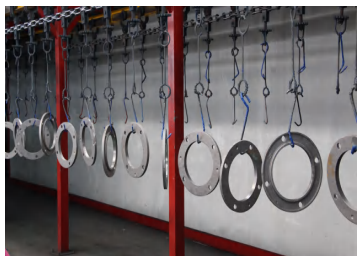

**2024**

Obtained ISO14001 & ISO45001 certifications. Upgraded ERP digital system; strengthened global sales & regional advantages.

## Our Factory

FLUIDO has been serving 35 countries for over 20 years.
