YUHUANG DEVELOPMENT HISTORY

玉煌发展历史

2022 乐昌新工厂(乐昌玉煌)投产运营

In 2022 LeChang Yuhuang put into operation

2019 通过 IATF16949

In 2019 Passed IATF16949

2018 公司扩展升级搬迁至常平土塘臻兴科技园

In 2018, the company upgraded and moved to Changping Tutang Zhenxing Science and Technology Park

2017 被认定为国家高新技术企业

同年在韶关乐昌购入厂房地皮

11月底成立乐昌市玉煌科技有限公司

In 2017, recognized as a national high-tech enterprise same year, the factory land was purchased in Lechang, Shaoguan Lechang Yuhuang Technology Co., Ltd. was established at the end of November

2016 被认定为成长型企业

In 2016, recognized as a growing enterprise.

2015 与小米深度合作, 成为消费类电子螺丝的行业标杆

In 2015, we cooperated deeply with Xiaomi became the industry benchmark of consumer electronic screws.

2014 引进 ISO 体系

In 2014, ISO system was certificated

2013 成为孚能(储能行业排名前十)的首选供应商,

我们的螺丝五金产品正式进入新能源行业及汽配领域

In 2013, we were recognized as the preferred supplier of Funeng (top ten in the energy storage industry), our products officially entered the new energy industry and auto parts field.

2010 成立玉煌电子科技有限公司, 同时增加 LED 产品项目

In 2010, Yuhuang Electronics Dongguan Co., Ltd. was established with LED production line added at the same time.

2008 与海信合作, 我们的螺丝五金产品正式进入消费类电子行业

In 2008, we cooperated with Hisense, our products officially entered the consumer electronics industry.

2006 工厂扩展, 同时成立香港铭星公司

In 2006, we expanded and set up Mingxing Hong Kong Limited.

2004 工厂扩展搬迁至黄江北岸 138 工业区

In 2004, we expanded and moved to the 138 Industrial Zone on the north bank of the Huangjiang Town, Dongguan City

1998 成立铭星螺丝五金制品厂

In 1998, Mingxing Screw Hardware Factory was established

东莞市玉煌电子科技有限公司

Yu-Huang Electronics
Dongguan Co., Ltd.

COMPANY INTRODUCTION

东莞市玉煌电子科技有限公司成立于1998年，是一家集生产、研发、销售、服务于一体的工贸型企业。主要致力于非标五金紧固件的研发和定制，以及GB、ANSI、DIN、JIS、ISO等各种精密紧固件的生产。

玉煌公司旗下有两个生产基地，东莞玉煌面积8000平米，乐昌科技厂房面积12000平米。我们拥有先进的生产设备、齐全的检测设备、成熟完善的生产链和供应链，并且拥有一支强悍且专业的管理团队，使公司能稳定、健康、持续、快速的发展。我们可为您提供各种类型的螺丝、垫片、螺母、车床件、精密冲压件等等产品。我们是非标紧固件解决方案专家，提供一站式五金件装配的解决方案。

公司已经通过了ISO9001、ISO14001、IATF16949认证，并荣获“高新技术企业”称号，所有产品均符合REACH和ROHS标准。

我们的产品出口到全球40多个国家，我们与小米、华为、KUS、SONY等众多国内外知名企业建立良好合作，产品广泛应用于5G通信、航空航天、电力、储能、新能源、安防、消费电子、人工智能、家用电器、汽车零件、运动器材、医疗保健等各个行业。

我们提供售前、售中、售后服务，为紧固件提供研发服务、技术支持、产品服务和个性化定制服务。我们坚持“品质至上、客户满意、不断改进、精益求精”的质量和服务方针，真诚为客户服务，竭力为客户解决需求，为客户创造更多价值。

Dongguan Yuhuang Electronic Technology Co., Ltd. was established in 1998, is a collection of production, research and development, sales, service in one of the industry and trade enterprises. It is mainly committed to the development and customization of non-standard hardware fasteners, as well as the production of various precision fasteners such as GB, ANSI, DIN, JIS and ISO.

Yuhuang company has two production bases, Dongguan Yuhuang area of 8000 square meters, Lechang technology plant area of 12000 square meters. We have advanced production equipment, complete testing equipment, mature production chain and supply chain, and have a strong and professional management team, so that the company can be stable, healthy, sustainable and rapid development. We can provide you with various types of screws, gaskets, nuts, lathe parts, precision stamping parts and so on. We are experts in non-standard fastener solutions, providing one-stop solutions for hardware assembly.

The company has passed ISO9001, ISO14001, IATF16949 certification, and won the title of "high-tech enterprise", all products are in line with REACH and ROHS standards.

Our products are exported to more than 40 countries around the world, and we have established good cooperation with many well-known enterprises at home and abroad such as Xiaomi, Huawei, KUS, SONY, etc. Our products are widely used in 5G communication, aerospace, power, energy storage, new energy, security, consumer electronics, artificial intelligence, home appliances, auto parts, sports equipment, healthcare and other industries.

We provide pre-sale, in-sale and after-sale services, research and development services, technical support, product services and personalized customized services for fasteners. We adhere to the quality and service policy of "quality first, customer satisfaction, continuous improvement, excellence", sincerely serve customers, and strive to solve customer needs and create more value for customers.
